**Risk Oversight**

*The Board’s role*

The Board’s role in the Company’s risk oversight process includes receiving regular reports from members of the executive management team on areas of material risk to the Company, including operational, financial, legal, regulatory, strategic, transactional and reputational risks. The full Board receives these reports from the appropriate “risk owner” within the organization to enable it to understand our risk identification, risk management and risk mitigation strategies.

**Risk Assessment in Compensation Policies and Practices for Employees**

The Compensation Committee reviewed the elements of our compensation policies and practices for all of our employees, including our named executive officers, in order to evaluate whether risks that may arise from such compensation policies and practices are reasonably likely to have a material adverse effect on our Company. The Compensation Committee concluded that the following features of our compensation programs guard against excessive risk-taking:

- compensation programs provide a balanced mix of short-term and longer-term incentives;
- base salaries are consistent with employees’ duties and responsibilities;
- cash incentive awards are capped by the Compensation Committee;
- cash incentive awards are tied mostly to corporate performance goals, rather than individual performance goals; and
- vesting periods for equity awards encourage executives to focus on sustained stock price appreciation.

The Compensation Committee believes that, for all of our employees, including our named executive officers, our compensation programs do not lead to excessive risk-taking and instead encourage behavior that supports sustainable value creation. We believe that risks that may arise from our compensation policies and practices for our employees, including our named executive officers, are not reasonably likely to have a material adverse effect on our Company.

**Board Committees**

The Board has three standing committees: (i) the Audit Committee; (ii) the Compensation Committee; and (iii) the Nominating and Corporate Governance Committee. The committees are comprised solely of persons who meet the definition of an “independent director” under the NASDAQ Listing Rules. In addition, the Board has determined that each member of the Audit Committee meets NASDAQ independence requirements applicable to members of an audit committee. The Board of Directors has also determined that members of the Compensation Committee meet additional independence requirements under the NASDAQ Listing Rules for members of a compensation committee.
The Audit Committee, Nominating and Corporate Governance Committee and the Compensation Committee operate under written charters adopted by the Board. A copy of our Nominating and Corporate Governance Committee Charter, our Audit Committee Charter and our Compensation Committee Charter are available on our website, at the following address: http://www.icadmed.com/governance.html. Information on our website does not constitute a part of this 10K/A.

**Audit Committee**

The Audit Committee, among other things, selects the firm to be appointed as the independent registered public accounting firm to audit our financial statements and reviews and discusses the scope and results of each audit with the independent registered public accounting firm and with management. The responsibilities of the Audit Committee are further described in the Audit Committee Charter, which was adopted by the Board and a copy of which is available on the Company’s website at www.icadmed.com and accessible via the “Corporate Governance” page. The Audit Committee held four meetings during 2016. The Audit Committee consists of Mr. Rappaport, Chairperson, Mr. Ecok and Dr. Sussman. The Board has determined that Mr. Rappaport qualifies as the Audit Committee’s “financial expert” under applicable SEC rules.

**Nominating and Corporate Governance Committee**

The Nominating and Corporate Governance Committee is responsible for, among other things, developing and recommending to the Board corporate governance policies for iCAD, establishing procedures for the director nomination process and recommending nominees for election to the Board. The responsibilities of the Nominating and Corporate Governance Committee are further described in the Nominating and Corporate Governance Committee Charter, which was adopted by the Board and a copy of which is available on the Company’s website at www.icadmed.com and accessible via the “Corporate Governance” page. The Nominating and Corporate Governance Committee held one meeting during 2016. The Nominating and Corporate Governance Committee consists of Mr. Ecok, Chairperson, Dr. Brem and Mr. Subramanian.

**Compensation Committee**

The Compensation Committee is responsible for, among other things, assisting the Board in overseeing our executive compensation strategy, reviewing and recommending for approval to the Board, the compensation of our executive officers and administering our various stock option and incentive plans. The responsibilities of the Compensation Committee are further described in the Compensation Committee Charter, which was adopted by the Board and a copy of which is available on the Company’s website at www.icadmed.com and accessible via the “Corporate Governance” page. The Compensation Committee held five meetings during 2016.

**Compensation Committee Interlocks and Insider Participation**

The Compensation Committee consisted of Dr. Sussman (Chairperson), Dr. Brem, Dr. Howard and Mr. Subramanian during the fiscal year ended December 31, 2016. No person who served as a member of the Compensation Committee during the fiscal year ended December 31, 2016 was a current or former officer or employee of the Company or engaged in certain transactions with the Company required to be disclosed by regulations of the SEC. Additionally, there were
no compensation committee “interlocks” during the fiscal year ended December 31, 2016, which generally means that no executive officer of the Company served as a director or member of the compensation committee of another entity, one of whose executive officers served as a director or member of the Compensation Committee of the Company.

Audit Committee and Audit Committee Financial Expert

Our Board of Directors maintains an Audit Committee which is composed of Mr. Rappaport (Chair), Mr. Ecock and Dr. Sussman. Our Board has determined that each member of the Audit Committee meets the definition of an “Independent Director” under applicable NASDAQ Marketplace Rules. In addition, the Board has determined that each member of the Audit Committee meets the independence requirements of applicable SEC rules and that Mr. Rappaport qualifies as an “audit committee financial expert” under applicable SEC rules.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires certain of our officers and our directors, and persons who own more than 10 percent of a registered class of our equity securities, to file reports of ownership and changes in ownership with the SEC. Officers, directors, and greater than 10 percent stockholders are required by SEC regulation to furnish us with copies of all Section 16(a) forms they file.

Based solely on our review of copies of such forms received by us, we believe that during the year ended December 31, 2016; all filing requirements applicable to all of our officers, directors, and greater than 10% beneficial stockholders were timely complied with.

“Say on Pay” Outcome and Stockholder Outreach Efforts

In May 2016, the Board of Directors and management were extremely disappointed not to receive majority support for our Say on Pay proposal. In response, we committed to engaging with our shareholders to understand investor concerns and preferences regarding our executive compensation program.

We contacted 14 of our largest shareholders owning approximately than 29% of our outstanding shares to seek feedback and discuss business topics. Outreach discussions were conducted by management with the participation of the Compensation Committee members and the Committee Chair.

Compensation Decision Making Process

Executive Compensation Philosophy and Objectives

The Compensation Committee’s executive compensation objectives are to: attract and retain highly qualified individuals with a demonstrated record of achievement; reward past performance; provide incentives for future performance; and align the interests of the named executive officers with the interests of the stockholders. In order to accomplish this we offer a competitive total compensation package that consists of: base salary; annual non-equity incentive compensation opportunities; long-term incentives in the form of equity awards; and employee benefits.

The Compensation Committee believes that compensation for the named executive officers should be based on our performance, as the performance of the named executive officers directly affects our results. Therefore, the Compensation Committee typically has developed variable compensation packages for the named executive officers that are largely based on Company financial performance. The Compensation Committee also considers our industry and geographic location norms in determining the various elements and amounts of compensation for our named executive officers.

The Compensation Committee believes that several factors are critical to our future success. These factors include the quality, appropriate skills and dedication of the named executive officers.
How We Determine NEO Compensation

Role of the Compensation Committee. All compensation for our named executive officers is reviewed and recommended to the Board of Directors by the Compensation Committee of our Board, which is composed only of independent directors. The Compensation Committee is responsible for reviewing the performance and establishing the total compensation of our named executive officers on an annual basis. The Compensation Committee hires an independent consultant to assist in determining compensation levels. The Compensation Committee discusses compensation matters as part of regularly scheduled meetings. The Compensation Committee administers compensation plans for our named executive officers and is responsible for recommending base salary and grants of equity awards under our stock incentive plans to the Board for approval. The Compensation Committee has a formal written charter which is available on our website.

Role of our CEO. Our Chief Executive Officer annually makes recommendations to the Compensation Committee regarding base salary, non-equity incentive plan compensation and equity awards for himself and the other named executive officers. Such recommendations are considered by the Compensation Committee; however, the Compensation Committee retains full discretion and authority over the final compensation decisions for the named executive officers, subject to approval by the Board.

Role of our Independent Compensation Consultant. The Compensation Committee has the authority to engage independent compensation consultants. The Compensation Committee has in the past, and may in the future, directly commission compensation studies from such consultants to provide benchmark and other data to be used by the Compensation Committee in determining the compensation and benefits for the named executive officers.

During 2015, the Compensation Committee engaged Pearl Meyer & Partners (“Pearl Meyer”), an independent compensation consultant, to review and benchmark executive compensation. The consultant reviewed the compensation for the named executive officers and compared their base salary, target bonus opportunity and equity participation to a peer group and survey data of comparably sized industry comparators. The Compensation Committee considered the findings of the compensation consultant in evaluating executive compensation for 2015.

The Compensation Committee retained Pearl Meyer in 2016 for general executive compensation support, including but not limited to developing a long-term incentive award strategy, developing a competitive employment offer for our new Chief Financial Officer, crafting a strategy to respond to shareholder outreach feedback, and determining performance metrics for the 2017 annual cash bonus.
Use of Peer Group and Market Data

In January 2015, the Compensation Committee engaged Pearl Meyer to assess the competitiveness of the Company’s executive compensation. Pearl Meyer determined and the Compensation Committee approved the following peer group companies with respect to benchmarking the executive compensation.

- Bovie Medical Corporation
- Digirad Corporation
- ERBA Diagnostics, Inc.
- IRIDEX Corporation
- LeMaitre Vascular, Inc.
- MGC Diagnostics Corporation
- Simulations Plus, Inc.
- Stererotaxis Inc.
- Streamline Health Solutions, Inc.
- SurModics, Inc.
- Tandem Diabetes Care, Inc.
- Veracyte, Inc.

For 2016, Pearl Meyer used the same peer group to monitor competitive market pay practices and inform decisions pertaining to our long-term incentive award strategy.

Elements of Executive Compensation

The Compensation Committee established, in February 2015, a total targeted cash compensation amount for each named executive officer, which included base salary and non-equity incentive compensation, intended to be an incentive for the named executive officers to achieve the targeted financial results for our business and to compensate the named executive officers appropriately if they successfully achieved such performance. The elements of our executive compensation program are designed to deliver both year-to-year and long-term stockholder value increases. A portion of the executives’ compensation is at-risk, and equity-based compensation includes a mix of incentives that vest subject to time or a combination of Company performance and time, tying the executive to both our short-term and long-term success.

The Compensation Committee also considers each named executive officer’s current salary and prior-year incentive compensation along with the appropriate balance between long-term and short-term incentives.

Our executive compensation program consists of the following annual elements:

Fiscal 2016 Compensation Program in Detail

Base Salaries

Salaries are established based on the individual responsibilities of the named executive officers in the competitive marketplace in which we operate at levels necessary to attract and retain the executive. Base salaries are reviewed annually and adjusted periodically to take into account promotions, increases in responsibility, inflation and increased experience and competitive compensation levels as recommended by the Chief Executive Officer with respect to the other named executive officers. The Company does not provide for automatic salary increases.

The Compensation Committee established the following base salaries for the named executive officers in fiscal 2016 as follows:

Annual Bonus (Non-Equity Incentive Compensation)

Annually, at the beginning of each fiscal year, the Compensation Committee establishes a non-equity incentive compensation plan as a tool to incentivize the named executive officers to achieve certain Company goals for the forthcoming fiscal year. Cash payments under this plan are typically paid in arrears on an annual basis if the financial performance goals are met, or at the board’s discretion, taking into account various subjective factors, including individual performance evaluations with regard to our operating performance and execution on plans as presented to the Board. The Compensation Committee sets the financial objectives in the plan at levels which the Committee believes are achievable, but not assured, and such objectives are in line with both the short-term and long-term interests of the stockholders.

The compensation plan provided for the payment to the named executive officers of a percentage payout of the individuals’ respective base salary, which payouts can be earned upon achieving the goals established by the Compensation Committee. The 2016 non-equity incentive compensation targets were based on achieving certain adjusted EBITDA goals as follows:
For a reconciliation of adjusted EBITDA, please see the Company’s earnings release for the year ended December 31, 2016, filed on Form 8-K on March 9, 2017. Actual 2016 performance excludes bonus expense.

Each executive’s target bonus amount is set as a percentage of base salary, with possible payouts ranging from 100% of target to 0% of target. In February 2017, after approving payouts of 89% of target, the Board of Directors determined to issue shares of common stock in lieu of cash bonus payments for cash conservation purposes. The shares are expected to be issued in May 2017 and the number of shares will be determined based on the stock price of the Company at the date of issuance. Bonus opportunities and actual payouts were as follows:

**Long-Term Equity Incentive Compensation**

The Compensation Committee makes recommendations to the Board regarding the granting to executives of equity awards under our stock incentive plans. The Compensation Committee has the ability and flexibility under the various plans to determine from time to time the specific type of award and the terms and conditions related thereto that the Compensation Committee believes are best designed at that time to provide a strong incentive for senior management’s superior performance and continued service to us. The incentive plans provide for grants of stock options and shares of restricted stock or units – either time- or performance-based. The Compensation
Committee believes that properly structured long-term equity awards can encourage executive retention as such awards are made subject to vesting and continued employment by the recipient. Long-term equity awards may be granted to executive officers and other employees who successfully demonstrate a capacity for contributing directly to our success.

The terms of these equity awards generally provide time-based vesting provisions and require the recipient remain employed to obtain such awards on the vesting date(s). In the event of a stock dividend, recapitalization, reclassification, split, or a combination of shares of the Company, an appropriate adjustment shall be made by the Company, in the number, kind, and/or option price of the awarded shares to the end that the proportionate interest of the holder will be maintained as before the occurrence of such event. In the event of a merger or consolidation of the Company or other similar corporate changes, provisions may be made by the Board for the assumption or substitution of the awarded shares See the narrative description below for each of our named executive officer’s arrangements regarding vesting on a change of control.

The Compensation Committee does not currently have a policy for the automatic awarding of equity awards to the named executive officers or our other employees. Grants are made periodically, based on individual performance, and other criteria deemed relevant by the Compensation Committee and approved by the Board at the time awards are made.

**2016 Equity Awards.**

On October 18, 2016, the Compensation Committee recommended for approval to the Board, and the Board approved equity awards to Mr. Ferry and Ms. Stevens. Subsequently, the Compensation Committee approved equity awards to Mr. Christopher upon his hire in December 2016. The awards to each of these NEOs were granted in the form of equity as follows:

- **50% in time-based restricted stock,** which vest in three equal installments on each of the first three anniversaries of the grant date.

- **50% in performance-based restricted stock units (“PSUs”),** which will be earned based on 2017 corporate revenue growth. If we fail to meet the performance threshold, all of the PSUs will be forfeited. The award can be earned from up to 167% of target for performance between threshold and maximum. Upon certification by the Compensation Committee of achievement of the performance metrics for 2017, One-third of earned shares will vest. The remaining two thirds will vest in equal annual installments on the first and second anniversaries of the date of performance certification by the Compensation Committee.

Benefits

We provide group life insurance, health and dental care insurance, long-term disability insurance, 401(k) plan matching contributions and similar benefits to all employees, including the named executive officers. These benefits do not discriminate in scope, terms or operation in favor of the named executive officers.

Perquisites

We provide the named executive officers with an annual automobile allowance and, in addition, a housing allowance for Mr. Ferry, which the Compensation Committee believes is reasonable, competitive and consistent with our overall executive compensation program.

Employment Agreements and Severance and Change in Control Agreements

We have employment agreements with certain of our named executive officers. Those agreements provide each named executive officer with certain benefits upon termination of employment as noted for each individual, as well as indemnification rights. Our certificate of incorporation provides that we will indemnify our directors to the fullest extent permitted by Delaware law and we have separate indemnification agreements with our directors and certain officers. We maintain directors and officers insurance coverage. We also have a Severance and Change in Control Agreement with our Former Interim Chief Financial Officer.

Mr. Kenneth Ferry, our Chief Executive Officer.

On December 22, 2016, we entered into a new employment agreement with Mr. Ferry. This agreement replaced and superseded the previous employment agreement entered into between us and Mr. Ferry on September 25, 2012. Mr. Ferry’s employment agreement provides for his continued employment as the Company’s Chief Executive Officer for an initial term through December 31, 2018, subject to automatic one-year renewals after the expiration of the initial term under certain conditions, at an annual base salary of $455,000. The agreement also provides for his eligibility to receive, during each employment year during the term of the Agreement, a target annual incentive bonus of 55% of his base salary if the Company achieves goals and objectives determined by the Compensation Committee. Mr. Ferry is also eligible to receive such other cash bonuses and such other compensation as may from time to time be awarded to him by the Board.

Mr. Ferry is also entitled to customary benefits, including participation in employee benefit plans as well as a monthly automobile and housing allowance. Mr. Ferry’s employment agreement provides that if his employment is terminated without “cause” or if he terminates his employment for “good reason”, then: (i) he will continue to receive an amount equal to his base salary for the course of 24 months from the date of his termination; (ii) he will receive the pro rata portion of any incentive bonus, if any, earned for the fiscal year of his termination; and (iii) he will receive continued health benefits for 18 months.
In the event that within 12 months of a “change in control”, either (i) Mr. Ferry is terminated by the Company without “cause” or (ii) he terminates his agreement for “good reason”, as all such terms are defined in Mr. Ferry’s employment agreement, then: (A) he will continue to receive an amount equal to his base salary for the period of 24 months from the date of his termination; (B) he will receive the pro rata portion of any incentive bonus, if any, earned for the fiscal year of his termination, and (C) all unvested stock options and other equity awards granted by the Company shall immediately vest and become exercisable and shall remain exercisable for not less than 180 days thereafter.

On October 18, 2016, the Company’s Board, upon the recommendation and approval of the Compensation Committee granted Mr. Ferry 75,000 time-based restricted shares, and 75,000 PSUs subject to subsequent time-based vesting, if deemed earned.

Mr. Richard Christopher, our Executive Vice President, Chief Financial Officer

On November 4, 2016, we entered into a new employment agreement, effective December 5, 2016 with Mr. Christopher. Mr. Christopher’s employment agreement provides for his employment for an initial term ending December 31, 2019, subject to automatic one-year renewals after the expiration of the initial term under certain conditions, at an annual base salary of $285,000 with such increases as determined by the Board. Mr. Christopher is also entitled to customary benefits, including participation in employee benefit plans as well as a monthly automobile allowance. Mr. Christopher’s employment agreement also provides for his eligibility to receive, during each year during the term of the agreement, a target annual incentive bonus of 40% of his base salary if we achieve goals and objectives determined by the Board. Mr. Christopher will also be eligible to receive such other cash bonuses and such other compensation as may from time to time be awarded to him by the Board.

Mr. Christopher’s employment agreement provides that if his employment is terminated without “cause” or if he terminates his employment for “good reason,” then: (i) he will continue to receive an amount equal to his base salary for the period of 12 months from the date of his termination; (ii) he will receive the pro rata portion of any incentive bonus, if any, earned for the fiscal year of his termination; (iii) he will receive continued health benefits for 12 months; and (iv) all earned but unvested stock options and other equity awards granted by the Company shall immediately vest and become exercisable for not less than 180 days thereafter.

In the event that within six months of a “change in control”, either (i) Mr. Christopher is terminated by the Company without “cause” or (ii) he terminates his agreement for “good reason,” as all such terms are defined in his employment agreement, then: (i) he will continue to receive an amount equal to his base salary for the period of 18 months from the date of his termination; (ii) he will receive the pro rata portion of any incentive bonus, if any, earned for the fiscal year of his termination, and (iii) all unvested stock options and other equity awards granted by the Company shall immediately vest and become exercisable and shall remain exercisable for not less than 180 days thereafter.
On December 5, 2016, the Company’s Board, upon the recommendation and approval of the Compensation Committee granted Mr. Christopher 50,000 time-based restricted shares, and 50,000 PSUs subject to subsequent time-based vesting, if deemed earned.

Ms. Stacey Stevens, our Executive Vice President, Chief Strategy and Commercial Officer

On June 25, 2008, we entered into a new employment agreement, with Ms. Stevens, which provides for her employment for an initial term thru December 31, 2011, with automatic one-year renewals after the expiration of the initial term under certain conditions. Ms. Stevens is also entitled to customary benefits, including participation in employee benefit plans as well as a monthly automobile allowance. Ms. Stevens’ employment agreement also provides for her eligibility to receive, during each year during the term of the agreement, a target annual incentive bonus of 40% of her base salary if we achieve goals and objectives determined by the Board. Ms. Stevens will also be eligible to receive such other cash bonuses and such other compensation as may from time to time be awarded to her by the Board.

Ms. Stevens’ employment agreement provides that if her employment is terminated without “cause” then: (i) she will continue to receive an amount equal to her base salary for the period of 12 months from the date of her termination; (ii) she will receive the pro rata portion of any incentive bonus, if any, earned for the fiscal year of her termination; and (iii) she will receive continued health benefits for 12 months.

On December 22, 2016, we amended Ms. Stevens employment agreement to provide that in the event that within three months of a “change in control”, Ms. Stevens is terminated by the Company without “cause,” as defined in her employment agreement, then: (i) she will continue to receive an amount equal to her base salary for the course of 18 months from the date of her termination; (ii) she will receive the pro rata portion of any incentive bonus, if any, earned for the fiscal year of her termination; and (iii) all unvested stock options and other equity awards granted by the Company shall immediately vest and become exercisable and shall remain exercisable for not less than 180 days thereafter.

On February 5, 2015, the Board, upon the recommendation and approval of the Compensation Committee, increased Ms. Stevens’ annual base salary to $283,000 effective March 1, 2015.

On October 18, 2016, the Company’s Board, upon the recommendation and approval of the Compensation Committee granted Ms. Stevens 37,500 time-based restricted shares, and 37,500 PSUs subject to subsequent time-based vesting, if deemed earned.

Mr. Richard Areglado, our Vice President and Corporate Controller, and Former Interim Chief Financial Officer

On September 12, 2016, the Company entered into a severance and change in control agreement with Mr. Areglado that provides for certain benefits under various termination scenarios. The agreement provides that if his employment is terminated without “cause” or if he terminates his employment for “good reason,” as such terms are defined in the agreement, then: (i) he will continue to receive an amount equal to his base salary for the period of six months from the date of his termination; and (ii) he will receive continued health benefits for six months from the date of his termination.
In the event that within six months of a “change in control”, either (i) Mr. Areglado is terminated by the Company without “cause” or (ii) he terminates his employment for “good reason,” as all such terms are defined in his employment agreement, then: (i) he will continue to receive an amount equal to his base salary for the period of six months from the date of his termination; and (ii) he will receive continued health benefits for six months from the date of his termination. Mr. Areglado’s base compensation and cash bonus remained unchanged during the period he served as Interim Chief Financial Officer.

Mr. Kevin Burns, our Former President, Chief Financial Officer and Chief Operating Officer

On April 26, 2011, as amended on November 21, 2013 and February 5, 2015 the Company entered into an employment agreement with Mr. Burns that provided for his employment as the Company’s Executive Vice President, Chief Financial Officer and Treasurer for a term commencing on April 26, 2011 and expiring on April 30, 2014, subject to one-year renewals after the expiration of the term unless terminated by the Company or Mr. Burns upon 90 days prior written notice, at an annual base salary of $255,000. The salary was subject to increases from time to time. On November 21, 2013 the Company amended this agreement in connection with his promotion to Chief Operating Officer, and paid a one-time cash bonus of $50,000. The amended agreement provided for Mr. Burns to be eligible to receive during each year during the term of his employment agreement an annual target incentive bonus in each calendar year of an amount equal to 50% of his base salary then in effect if the Company achieved goals and objectives established by the Compensation Committee. On February 5, 2015 the Company further amended this agreement in connection with Mr. Burns’ promotion to President, and extended his benefits on a change of control, termination without cause and termination for good reason from 12 months to 18 months.

Mr. Burns was also entitled to customary benefits, including participation in employee benefit plans as well as a monthly automobile allowance. Mr. Burns’ employment agreement provided that if his employment was terminated without cause or for good reason, Mr. Burns would receive an amount equal his base salary then in effect for a period of one year from the date of termination of employment plus the pro rata portion of his incentive bonus, if any, earned in the employment year through the date of his termination as determined at the discretion of the Board. In the event that within six months of a “change in control”, either (i) Mr. Burns would have been terminated by the Company without “cause” or (ii) had he terminated his employment agreement for “good reason” (as all such terms are defined in his employment agreement), he would have been entitled to receive his base salary then in effect for the greater of the remainder of his original term of employment or eighteen months from the date of termination plus any incentive bonus which otherwise would have been payable to him for any employment year in which the date of his termination occurred.
Pursuant to his employment agreement and as an inducement to his joining the Company, on April 26, 2011 Mr. Burns was also granted Non-Qualified Stock Options outside of a shareholder approved plan to purchase 100,000 shares of common stock, with an exercise price equal to $5.60, the closing sale price of the common stock on that date. The options vest as to one third of the shares covered thereby on each of the first, second and third year anniversary of the date of grant. The options expire on April 26, 2021, subject to earlier expiration under certain conditions. The unvested portion of these options will automatically vest if Mr. Burns' employment is terminated by the Company or by Mr. Burns for "good reason" without "cause" within six months of a "change in control" as such terms are defined in his employment agreement.

On September 1, 2016, Mr. Burns resigned without good reason from his positions as President, Chief Operating Officer, Chief Financial Officer, Treasurer and Secretary of the Company. He received no further benefits under his employment agreement.

(1) The value realized is calculated by determining the difference between the market price of the underlying Common Stock at exercise and the exercise price of the respective option awards.

(2) The value realized on the vesting of stock awards is calculated by multiplying the number of shares of Common Stock vested by the market value of the Common Stock on the vesting date of the respective awards.

Potential Payments upon Termination or Change in Control

In the event a named executive officer’s employment is terminated within twelve months (for Mr. Ferry), six months (for Mr. Christopher or Mr. Areglado) or three months (for Ms. Stevens) following a change in control by the Company without cause (for all named executive officers) or by the executive for good reason (for Mr. Ferry, Mr. Christopher and Mr. Areglado), then we will pay to the executive as severance pay an amount equal to (a) his or her base salary as then in effect for a period of two years (for Mr. Ferry), eighteen months (for Mr. Christopher and Ms. Stevens) or six months (for Mr. Areglado), as applicable from the date of termination, (b) other than in the case of Mr. Areglado, an amount equal to the incentive bonus which would otherwise been payable for the employment year in which the date of termination occurs, and (c) in the case of Mr. Areglado, (i) continued participation the Company’s group health plan for six months and (ii) accelerated payment of a retention bonus equal in an amount equal to $50,000 (which would otherwise be paid on September 1, 2017).

If within twelve months (for Mr. Ferry), six months (for Mr. Christopher) or three months (for Ms. Stevens) after the occurrence of a change in control, we terminate the executive’s employment without cause (for all named executive officers other than Mr. Areglado) or the executive terminates his employment for good reason (for Mr. Ferry and Mr. Christopher), then despite the vesting and exercisability schedule contained in any stock option agreement or other equity award agreement between us and the executive, all unvested stock options and other equity awards will immediately vest and become exercisable and will remain exercisable for not less than 180 days.

The receipt of the payments and benefits to the named executive officers under their employment agreements are generally conditioned upon their complying with customary non-solicitation, non-competition, confidentiality, non-interference and non-disparagement provisions. By the terms of such agreements, the executives acknowledge that a breach of some or all of the covenants described in their employment will entitle us to injunctive relief restraining the commission or continuance of any such breach, in addition to any other available remedies.
Additionally, Mr. Ferry and Ms. Stevens, entered into Change of Control Bonus Agreements in October 2015. The Agreements provided that upon a Change of Control of the Company, the executive will be entitled to a cash bonus. A change of control for this purpose means the sale of all or substantially all of the assets of the Company or the acquisition of more than 50% of the outstanding equity or ownership interests by any one person or group of persons. The amount of the bonus will be based upon the product of (i) the number of shares of the Company’s outstanding equity interest as of the closing of the transaction resulting in a change of control multiplied by (ii) the price of one such interest as of such closing as reported on the principal stock exchange on which such equity interests are traded. If such amount is greater than $100 million, but does not exceed $150 million, the Company will pay Mr. Ferry 1.25% of such amount and Ms. Stevens 0.50% of such amount. In the event such amount exceeds $150 million, the Company will pay Mr. Ferry 1.75% of such amount and Ms. Stevens 0.75% of such amount. Such agreements will terminate upon the earliest of (a) payment of bonuses due to a change of control; (b) the executive’s termination of employment prior to a change of control; or (c) by mutual agreement of the Company and the executive. No benefits will be paid for such bonus if the executive incurs a separation from service with the Company for any reason, not including military leave, sick leave, vacation or other bona fide leave of absence, at any time prior to a change of control. The agreements also amend the language of each executive’s employment agreements related to Section 280G of the Internal Revenue Code. The agreements provide that the Company shall pay the executive the greater of (i) all of the payments and benefits payable under the Change of Control Bonus Agreement and all other agreements between the Company and the executive as a result of a change in ownership or control or (ii) one dollar less than the amount of such payments and benefits that would subject the executive to the tax imposed by Section 4999 of the Code, whichever gives the executive the highest net after-tax amount.

The following table quantifies the estimated maximum amount of payments and benefits under our change in control agreements, employment agreements and agreements relating to awards granted under our equity incentive and stock option plans to which the named executive officers would be entitled upon termination of employment if we terminated their employment without cause within twelve months (for Mr. Ferry) six months (for Mr. Christopher and Mr. Areglado) or three months (for Ms. Stevens) following a “change in control” of us that (by assumption) occurred on December 31, 2016:

(1) This amount represents the value of the unvested portion of the respective named executive officer’s stock options, restricted stock and restricted stock units based upon a closing price of $3.24 of our common stock on December 31, 2016.
(2) Assuming a change in control as of December 31, 2016, no amount would be payable to either Mr. Ferry or Ms. Stevens under their respective change in control agreements because the market value of the Company (based on the number of shares outstanding multiplied by the closing price of $3.24 of our common stock) as of such date was less than $100 million.

(3) Amount is equal to twenty-four months of base salary, plus Mr. Ferry’s 2016 incentive bonus.

(4) Represents the value of 148,333 shares of restricted stock and 75,000 performance share units. The value of the accelerated vesting of Mr. Ferry’s unvested stock options is not included in this amount because the exercise price of the stock options exceeds the value of our common stock as of December 31, 2016.

(5) Amount is equal to eighteen months of base salary, plus Mr. Christopher’s 2016 incentive bonus.

(6) Represents the value of 50,000 shares of restricted stock and 50,000 performance share units.

(7) Amount is equal to eighteen months of base salary, plus Ms. Stevens’ 2016 incentive bonus.

(8) Represents the value of 60,834 shares of restricted stock and 37,500 performance share units. The value of the accelerated vesting of Ms. Stevens’ unvested stock options is not included in this amount because the exercise price of the stock options exceeds the value of our common stock as of December 31, 2016.

(9) Amount is equal to the sum of (i) six months of base salary, (ii) six months of continued participation in the Company’s group health plan and (iii) accelerated payment of Mr. Areglado’s retention bonus.

(10) Unlike the other named executive officers, Mr. Areglado’s severance and change in control agreement does not entitle him to automatic accelerated vesting of stock options and other equity awards upon a termination without cause or resignation for good reason following a change in control of the Company.
